Dedication

Our hearts overflowing with love, gratitude, and admiration, we, the graduating class of 1959, have chosen to honor, in a very special way, those devoted parents upon whom we have depended so completely for guidance and understanding throughout the blossoming years of our lives.

With a spirit of sincere humility intermingled with the joyful pride of achievement, as your sons and daughters our senior class is indeed privileged to dedicate this 1959 CUB to you, Mom and Dad.

TO THE GRADUATES OF 1959

The school year 1958-59 will be long remembered as a most pleasant one. In this, my first year as principal of Carencro High School, I am well pleased with the cooperation, attitudes, and understanding of students, teachers, parents, and the community.

The chief aim of our school is to continue to improve our program so as to give to every boy and girl the very best preparation for a rich and rewarding life.

Our challenge is to look ahead and to continue to build so that at the end of each school term we may take pride in saying, "This has been the best and most profitable year of our school days."

I wish to express my sincere congratulations to the graduating class and to commend the staff for this publication of the "Cub."

Best wishes for a successful and happy future. May God bless all of you.

Sincerely,

Paul Broussard
